Chief of Police.

I have been trying to look my husband. I don't want to ask for him in the papers as I don't want people to know. So I heard once he was in Mexico but don't know what port so I am writing you. And I want you to try and hunt him up if he is in that state. And let me know what he is doing. If you find him don't let on to him that I want him but you write me and then I will write him. He has been gone seven years and it is hard on me making my own living. I think he is ashamed after been gone so long and I hope he is well and I am willing to meet him any place if he don't want to come back to Canada. He is a man 5 ft 11 in tall he used to eigh one hundred and sixty lbs, light blue eyes, medium brown hair. Slight dinge in his nose. He went by the name of Alex Edwards here some called him Ted. His real his right name is Azeril Alexander Edwards. His age is 50 next birthday his father was Irish, Mother Scotch. Now I do hope you will find him as I am so anxious to hear from him Mrs. Edwards his wife. I hope you will try all over Mexico for him, if there isn't a police where I am writing please send it on to one. Oblige
